

A Message to our *Canton Soccer School* Families- 7-7-2020

It is with a heavy heart that I announce that due to the release of guidelines for sports camps released by the State of Massachusetts last night, *Canton Soccer School* will be unable to provide any programming this August.

Although we worked very hard to create two exciting programs for many of our annual campers, the latest guidelines are much too restrictive for us to be able to run our camp and clinic safely and provide a fun experience. Therefore, ***Canton Soccer School's camp and Soccer Nights, scheduled to run from August 3-6th at CHS, have been canceled.***

We were taken a bit by surprise with how restrictive the Phase 3 regulations were when released last night. We had hoped that we would be able to meet them but sadly, we cannot. Although we are incredibly disappointed, we also understand and support all of the efforts being made to help us all keep each other safe. Let's stay strong Massachusetts and beat this thing!

Over the next week or so, we will be providing refunds for all paid registrants. If you paid online, the refund will be issued that way. If you paid by check, your refund will be mailed to you in the form of a check. Please be patient with this process as it is not easy. IF any of our campers would prefer a credit for Canton Soccer School 2021, we would appreciate that. Please let us know via email if you would prefer the credit.

Finally, the Erickson family is very sad that we are not able to hold our camp this summer as it is a big part of our year but we look forward to seeing you all under better circumstances in 2021.

If you have any questions, please feel free to contact us at cantonsoccerschool@gmail.com or 781-820-9486.
